

rodeo1.

Resolved: rodeo events are inhumane treatment of animals.

Mrs. Blick at 19:49 PM, 12 May 2011 via web

Dr haber has 30 years of expirience N he has seen animals from the packing houses with broken legs N other bones N he has seen animals with

EmmanuelPro at 19:50 PM, 12 May 2011 via web

I think animals are well treated

Luz con at 19:50 PM, 12 May 2011 via web

Calves in practice are roped over and over until they are to injured I do not think that fair

Israel pro at 19:51 PM, 12 May 2011 via web

The rancher's horses are too valuable an too well-trained to risk injuring them by making them buck

Michellepro at 19:51 PM, 12 May 2011 via web

Think that animals are in a good place

Karlacon at 19:51 PM, 12 May 2011 via web

The animals are good treated

Little bam bam at 19:52 PM, 12 May 2011 via web

The PRCA is committed to making sure that rodeo is as safe as possible for the

animals and the cowboys

\$MiiL£¥** (Stephaniie) at 19:53 PM, 12 May 2011 via web

I think it's ok because u can win money n help people w/ there family

Juancon at 19:53 PM, 12 May 2011 via web

In a rodeo time event the poor valve is forced to run at top speed then they stop them so violently

Israel pro at 19:54 PM, 12 May 2011 via web

The prca is committed to making sure rodeo are save

Little bam bam at 19:54 PM, 12 May 2011 via web

Dr.Jennifer said "I can confirm that the animal athletes involved in PRCA-sanctioned events are humanly handled and well care for.

Briceida Con at 19:54 PM, 12 May 2011 via web

I think it's ok because u can win money n help people

Miguel con at 19:54 PM, 12 May 2011 via web

I think that claves are never choked and dragged as they are in the rodeo because injuries cause th rancher to lose money and I think that c

Michellepro at 19:55 PM, 12 May 2011 via web

Dr t k hardy a veterinarian who is also a

calf roper states that calf roping is an expensive sports he says that two or three calves are inj

Adrian pro at 19:56 PM, 12 May 2011 via web

Us who have grown by cattle know that the cattle is only roped like once or twice a year N in he rodeos they are rOped over N over

EmmanuelPro at 19:56 PM, 12 May 2011 via web

If course rodeo is a business but many stock contractors save the form a relationship with their animal

Karina(con) at 19:56 PM, 12 May 2011 via web

Of course rodeo is a business but many stock contractors say they from a relationship with their animals

Luz con at 19:57 PM, 12 May 2011 via web

The injury rate in rodeo are low, less than five hundredths of one percent (0.0004).

\$MiiL£Y** (Stephaniie) at 19:57 PM, 12 May 2011 via web

In California alone nine horses and cattle died in one year I think that's curl to animals

Michellepro at 19:58 PM, 12 May 2011 via web

The prca is committed to making sure that rodeos as safe as possible for the

animals

Crystal con at 19:58 PM, 12 May 2011 via web

The ranchers horses are too valuable and too well trained to risk injuring them by making them buck

Pro jacquel at 19:58 PM, 12 May 2011 via web

The injury rate in rodeo is extremely low less than fivehundredths of one percent

Briceida Con at 19:58 PM, 12 May 2011 via web

I have seen cattle so extensively bruised that the only areas in which the skins was attached was he head neck legs and belly

Geraldineprow at 19:59 PM, 12 May 2011 via web

I think they do not hert the animal becauSe they wing a lot of money and do what to hert them

Miguel con at 19:59 PM, 12 May 2011 via web

They say that somtimes calves come in with broken bones and everything

Juancon at 19:59 PM, 12 May 2011 via web

Expert say professional rodeo's bucking animals enjoy what they do

Crystal con at 19:59 PM, 12 May 2011 via web

Cows can detect electricial voltage when humans ,dogs ands horses cannot.

Anapro at 20:00 PM, 12 May 2011 via web

Sept lots of broken legals

Little bam bam at 20:00 PM, 12 May 2011 via web

No rancher forces his horse to buck using
a bucking straps around it's flanks or
drives bluntspurs into it's sholder

Pro jacquel at 20:00 PM, 12 May 2011 via web

That is animal receive proper care and
treatment befor and during and after
every rodeo per formance

Luz con at 20:00 PM, 12 May 2011 via web

I have seen animals mals with six to eight
Ribs broken from the spine that at times
puncture the lungs

Geraldineprow at 20:01 PM, 12 May 2011 via web

Using the prod to enhance performance
is against the orca rules

Anapro at 20:02 PM, 12 May 2011 via web

Up wassap
